G. Tripartite Committee
Mr. Aron noted the committee had not met since the last Board meeting.

At this point, Mr. Aron declared a brief recess. It was noted the members recessed at 2:20 p.m. and reconvened in open session at 2:40 p.m.

H. Regulation Revision Committee
Since Mr. McKay had not yet arrived at the meeting, Mr. Aron requested Mr. Broussard to provide the committee’s report. Mr. Broussard reported the committee had not met since the previous Board meeting but that their next meeting was scheduled for the following week, on November 13.

Mr. Broussard reminded the members the Board conducted a public hearing on August 27 to receive comments and testimony on three separate regulatory projects. He reported the project relative to preferential licensing for military personnel elicited no comments or testimony, and further, that the project relative to penal pharmacy permit revision had elicited one comment and request for non-substantive amendment, to which the Board agreed, and further, that both of those projects had been submitted to the legislative oversight committee and were scheduled for publication as final rules in the
November 2013 edition of the Louisiana Register.

Mr. Broussard then reported the project relative to collaborative drug therapy management had elicited several comments and testimonials at the public hearing. He directed the members to a compilation of the comments and testimony in their meeting binder. He then reminded them of their duty to consider the comments and testimony and then determine whether any changes to the original proposal were necessary, and secondly, to provide guidance to the staff for the required responses to the commentators.

Mr. Broussard then led the discussion guiding the members through each of the submissions listed in the compilation. Following their review and deliberations, the members determined that no changes to the original proposal were necessary, and further, they provided guidance to staff on how to respond to each of the commentators.

It was noted that Mr. McKay arrived at the meeting at 3:05 p.m.

Finally, Mr. McKay expressed his appreciation to the other members of the committee for their ongoing efforts.

I. Executive Committee

Mr. Aron informed the members the committee had met the previous day to consider the matters on their posted agenda. With respect to the current policy on salary administration for the office staff, Mr. Aron indicated the committee reviewed a proposed revision to that policy and he called upon Mr. Rabb for the committee’s recommendation. Mr. Rabb moved to approve the proposed revision, Policy No. II.A.6 – Flexible Special Entrance Rates for Salaries. The motion was adopted after a unanimous vote in the affirmative.

With respect to the office’s administrative operations, the committee reviewed the new legislation relative to non-resident pharmacies as well as the current administrative procedures. He informed the members the committee had directed staff to solicit a proposal from the National Association of Boards of Pharmacy (NABP) for the inspection of non-resident pharmacies and then refer that proposal to the Board for its consideration. The committee also requested the insertion of an article in the January 2014 edition of the Board’s newsletter advising all pharmacies that the renewal of a pharmacy permit for Calendar Year 2015 and beyond will require the date of the most recent inspection to be less than three years prior to the date of the renewal application. The committee also requested that the criminal background check requirement be applied to all applicants for pharmacy permits.

With respect to the administrative operations relative to the processing of applications for pharmacist licensure by reciprocity, the committee reviewed staff research on the number of states still requiring mandatory interviews for all reciprocity applicants. There are seven states, including Louisiana, that still require mandatory interviews for all applicants. Another 15 states reserve the right to require an interview based on information contained within the application. Mr. Aron requested discussion among the members as to
whether they wished to retain the mandatory requirement for a face-to-face interview. Several members suggested the Board should reserve the right to require an interview but that perhaps it was not necessary for a mandatory interview for all applicants. Mr. Aron referred the matter to the Reciprocity Committee and requested their assistance on the development of a proposed policy revision relative to mandatory interviews for reciprocity applicants.

Finally, Mr. Aron completed his report with appreciation to his fellow officers for their ongoing efforts.

11. Staff Reports
   J. Prescription Monitoring Program

   Mr. Aron called upon Mr. Fontenot for the report. He directed the members to the quarterly statistical report in their meeting binder. He reported on the number of prescription transactions reported to the database, and the number of prescribers and dispensers who had acquired access privileges. He also reported on the number of queries made by those prescribers and dispensers, as well as law enforcement and regulatory agencies.

   He reminded the members about the 2009 change in the PMP law that authorized the Board to issue waivers to the duty to report data to the program. He then directed the members to a list of 15 pharmacies requesting such a waiver. Ms. Melancon moved, Resolved, to authorize the issuance of PMP reporting waivers to:

   > PHY.005250-NR – Cystic Fibrosis Services;
   > PHY.006125-HOS – Promise Hospital Pharmacy;
   > PHY.006472-NR – Advanced Pharmacy;

   once they have executed the standard consent agreement for that purpose.

   The motion was adopted after a unanimous vote in the affirmative.

   Finally, Mr. Fontenot indicated the completion of his report.
