Title 46 – Professional and Occupational Standards

Part LIII: Pharmacists

Chapter 9. Pharmacy Technicians

§907. Scope of Practice; Pharmacist Supervision

A. Pharmacy technician candidates and pharmacy technicians may assist the pharmacist by performing those duties and functions assigned by the pharmacist while under his direct and immediate supervision.

- ~~1. The ratio of candidates to pharmacists on duty shall not exceed one to one at any given time.~~
 - ~~2. The ratio of technicians to pharmacists on duty shall not exceed two to one at any given time.~~
- However, the ratio of technicians to pharmacists on duty may be increased to three to one if no technician candidates are on duty at the same time.

- 1. To facilitate the education and training of pharmacy technician candidates, a pharmacist on duty shall not supervise more than one pharmacy technician candidate at any given time.
- 2. The determination of the appropriate pharmacist-pharmacy technician supervision shall be made by the pharmacist-in-charge. No other person, whether or not credentialed by the board, shall interfere with the independent professional judgment of the pharmacist-in-charge in that determination. Evidence of such interference will subject the pharmacy permit or other licensee to disciplinary action by the board.
