§2747. Dispensing Requirements

A. – B.4.c.iv. ...

5. Partial Filling of Prescription

a. The partial filling of a prescription for a controlled substance listed in Schedule II is permissible with the following limitations:

i. ~~If~~ When the pharmacist is unable to supply the full quantity called for in a written (or emergency oral) prescription, ~~and~~ he shall make a notation of the quantity supplied on the face of the written prescription (or written record of the emergency oral prescription). The remaining portion of the prescription may be dispensed within 72 hours of the first partial filling; however, if the remaining portion is not or cannot be filled within the 72-hour period, the pharmacist shall notify the prescriber. No further quantity shall be dispensed beyond 72 hours without a new prescription.

ii. When a partial fill is requested by the patient or the practitioner who wrote the prescription, the pharmacist may dispense any quantity less than the total quantity prescribed. The total quantity dispensed in all partial fillings shall not exceed the total quantity prescribed. No partial filling may be dispensed more than 30 days after the date on which the prescription was written.
