MEMORANDUM

To: Licensees Holding Medication Administration Registrations (MA.xxxxxx)
From: Malcolm J Broussard, Executive Director
Date: March 17, 2020
Re: COVID-19 Guidance Document ~ Expiration Date of Medication Administration Registrations

We are aware that many educational activities have been postponed or cancelled, including life safety classes for renewal of cardiopulmonary resuscitation (CPR) cards. These documents must ordinarily be renewed in order to renew a medication administration registration.

The Board President has authorized an extension of the expiration date of medication administration registrations expiring during the public health emergency. We have already updated the 51 registrations which were originally scheduled to expire during the month of March. Staff will be working for the next few days on updates to those MA registrations scheduled to expire during April and May. We will continue to monitor the availability of CPR classes and are prepared to make further adjustments as needed.
