Section 4. Fees

Act 298 of the 2015 Legislature requires the Board to charge a new 'pharmacy education support fee' of \$100 on the renewal of every pharmacist license and pharmacy permit issued by the Board, in addition to the routine renewal fee. Further, the law requires the Board to provide an opportunity for the applicant to decline to pay the pharmacy education support fee. Finally, the law requires the Board to transfer all of the pharmacy education support fees collected to the ULM School of Pharmacy.

Please remember the fee for a timely renewal of a pharmacy permit is \$150. For those applications hand-delivered, postmarked, or placed with a mail carrier on or after January 1, 2016, the required fee is \$412.50. Applications received on or after February 1, 2016 may be subject to additional procedures.

You must select one of these two options:

- Option 1 – Delinquent Renewal of Permit* **Total: \$412.50**
We are renewing our pharmacy permit, and we are electing not to pay the pharmacy education support fee.

- Option 2 – Delinquent Renewal of Permit + Pharmacy Education Support Fee* **Total: \$512.50**
We are renewing our pharmacy permit, and we wish to pay the pharmacy education support fee.

Section 5. Attestation

Through our signatures below, we certify all of the answers provided to all of the questions and all of the information provided during this renewal process are true and accurate. Further, we understand and agree the provision of false information could result in the filing of formal charges against us for the acquisition of a permit by fraud or misrepresentation. Finally, we understand and agree that on a finding of such facts, the Board may take the necessary action to refuse to issue the renewal of our permit, or if the renewal has already been issued, then the suspension or revocation of our permit.
