Application for New Louisiana Controlled Dangerous Substance (CDS) License For Selected Persons & Organizations

This packet contains four pages: this information sheet, the two-paged application form, and a checklist to assist your application process. The packet is intended for use by the following persons or organizations with lawful authority to manufacture, distribute, procure, possess, or conduct research with controlled substances:

AET – Animal Euthanasia Technician	DET – Drug Detection / Canine	LAB – Laboratory
MIS – Miscellaneous	REP – Sales Representative	RES – Researcher

We encourage you to read the entire packet carefully before entering information on the application form.

For those persons or organizations electing to maintain their controlled substances at one address (including multiple locations at that address), only one CDS license is required. However, in the event an applicant elects to maintain controlled substances at more than one physical address, then a separate CDS license shall be required for each such location.

The address noted on each license shall reflect the Louisiana-based physical location, or practice address. We cannot accept post office boxes for practice locations, but they are acceptable for mailing addresses. We will direct the initial license and all subsequent communications to the practice address, unless you elect to provide a separate mailing address. We encourage you to provide telephone, facsimile and email information, to facilitate timely communications with you or your office.

Please note the required attachments. All applicants must supply documentation for their legal authority to handle controlled substances. Businesses must furnish a copy of the IRS Form W-9 with the FEIN. Further, any applicant with an affirmative reply to any of the prior history questions must include the requested documents.

We encourage you to insert the information in the online version of the document before printing it. We require an original 'wet' signature from the applicant; no stamps or proxies are permitted. Moreover, we cannot process faxed application forms. Please take note of the application fee associated with each category; we accept checks or money orders drawn on banks located within the U.S. and payable in U.S. dollars to the Louisiana Board of Pharmacy. This application shall expire one year after the date of its receipt in the Board office; any attached fees shall be forfeited at that time.

Once you receive your Louisiana CDS license, you may then apply for your federal registration from the United States Drug Enforcement Administration (DEA). You may accomplish that process at the DEA website, at www.drugdiversion.usdoj.gov. Questions about your federal registration should be directed to that agency; the telephone number at their New Orleans district office is 504.840.1100.

Any changes in your legal name or in your addresses (practice or mailing) shall be reported in writing to the Board no later than 10 days following such changes. There are forms on the Board's website, at www.pharmacy.la.gov to help you accomplish that task. In the event you wish to obtain a duplicate credential reflecting such changes, there is a product order form on our website to facilitate that purchase.

Your Louisiana CDS license will expire one year after the date of issue; you may not operate with an expired CDS license. We will send you a renewal reminder approximately 60 days prior to your expiration date. The renewal of your Louisiana CDS license will require a Louisiana-based physical address as well as a current Louisiana-based DEA registration. In the event you do not renew your license within 30 days after the expiration date, we are obliged to terminate your CDS license and then report that termination to your primary licensing agency as well as the DEA.

Our experience reveals a significant percentage of applications are returned for incomplete forms and missing attachments. Such events only serve to delay our processing of your application. We encourage your use of this checklist to ensure your application is complete on its delivery to our office.

- If an organization – did you record the name of the legal entity, the FEIN, and the business name, and include a copy of the IRS Form W-9?

Suggestions

- For payment of the application fee, we accept checks or money orders drawn on banks located within the U.S. and payable in U.S. dollars to the Louisiana Board of Pharmacy. Is the payee designation correct? If a check, is it signed?
- We recommend you retain at least one copy of your application and attachments before placing the original documents in the mail to the Board office.
- If it is important to you to know when the Board received your application package, we recommend the mail tracing service (FedEx, UPS, USPS, etc.) of your choice. Due to the volume of mail we receive, we may not be able to respond timely to requests to verify receipt of your documents.
