However, the identity of any patient identified in or such records or information shall be maintained in confidence by the board and shall be deemed a privilege of confidentiality existing in favor of any such patient. For the purpose of maintaining such confidentiality of patient identity, the board shall cause any such records or the transcript of any such testimony to be altered so as to prevent the disclosure of the identity of the patient to whom such records or testimony relates.

 - (2) constitute a threat to the health and welfare to the citizens of the state.
- C. No stay shall be granted ex parte. The court shall schedule a hearing on the request for a stay order within ten days from filing of the request. The decision shall be rendered within five days after the conclusion of the hearing.
