*H. Tripartite Committee*

Mr. Aron called upon Mr. Bond for the committee report. He reported the committee had not met since the last Board meeting, and there were no assignments pending from the Board.

I. *Legislative Committee*

Mr. Aron called upon Ms. Alderman for the committee report. She reminded the members the final legislative report had been posted in the Boardroom Library. She then summarized those measures which would affect the Board or its operations.

Mr. Cassidy requested an opportunity to discuss the recently-passed federal legislation relative to tamper-resistant prescription forms for prescriptions to be reimbursed by Medicaid. Mr. Aron indicated the matter was federal in origin as opposed to state, but in the absence of any objection from the members, he would permit a brief discussion of the unscheduled agenda item. There were no objections. The members briefly discussed the topic.

J. *Executive Committee*

Mr. Aron noted the committee had not met since the last Board meeting.

11. *Staff Reports*

A. *Chief Compliance Officer*

Mr. Aron called upon Ms. Gaudet for her report. She reminded the members she had posted the statistical summary for the prior fiscal year in the Boardroom Library, and that she was prepared to answer any questions. There were none.

Mr. Aron expressed his appreciation to Ms. Gaudet and all the compliance officers for their diligent efforts to enforce the laws and rules approved by the Board. He indicated his awareness that some compliance officers have met resistance from some pharmacists with the mistaken belief the compliance officers were enforcing personal beliefs as opposed to Board-sanctioned rules.

B. *General Counsel*

Mr. Aron called upon Mr. Finalet for his report. Mr. Finalet deferred the presentation of his report until the administrative hearing the next day.

C. *Executive Director*

Mr. Aron called upon Mr. Broussard for his report. He discussed the following topics, most of which had been posted in the Boardroom Library prior to the meeting:

- Meeting Activity
- Reports

**Resolved**, that the Board accept and approve the Annual Report for Fiscal Year 2006-2007 as presented.

The motion was approved after a unanimous vote in the affirmative.

Mr. Pitre then moved and Ms. Alderman seconded

**Resolved**, that the Board accept and approve the Compliance Questionnaire for Legislative Auditor as presented.

- Regulatory Activity
- Operations
- Retraction of Permission Granted During Aftermath of Hurricane Katrina & Rita
- NABP Press Release re NAPLEX

*12. Request for Endorsement of Certain Activities by Louisiana Health Care Review, Inc.*

Mr. Aron reminded the members of the background material pertinent to this request which had been posted in the Boardroom Library prior to the meeting. Mr. Broussard indicated the reason for his referral to the Board; while the Board could be supportive of the patient safety concepts, it would be inappropriate for the licensing agency to officially endorse an activity undertaken by a company contracted to perform certain services for remuneration. The members declined to offer a motion for endorsement, citing the absence of jurisdiction over the activity.

*13. Appeal of Staff Guidance re Security Requirements for Prescription Departments*

Mr. Aron directed the members to a packet of information relative to this agenda item in their meeting packet. With Mr. Aron's approval, Mr. Steven F. Ciolino, Owner of C's Discount Pharmacy in Metairie, presented information and documents in support of his request for an exception to the rules relative to computer systems located within prescription departments. Following his presentation, Mr. Aron requested Ms. Gaudet review the activities and guidance provided by compliance officers relative to Mr. Ciolino's application for new pharmacy permits reflecting a change of ownership. Mr. Aron then permitted the members to question Mr. Ciolino and Ms. Gaudet. Following substantial discussion, Dr. Anderson moved and Mr. Greco seconded

**Resolved**, that the Board deny the appeal from C's Discount Pharmacy.

The motion was approved after a majority vote in the affirmative; Mr. Cassidy objected. Mr. Ciolino expressed his appreciation for the opportunity to be heard, and although disappointed with the outcome, indicated he would work with the compliance officers to achieve compliance with the Board's rules. Mr. Aron and the members expressed their appreciation to Mr. Ciolino for suggesting possible changes to the relevant rules.

*14. Request for Opinion by Baton Rouge General Medical Center Pharmacy: Repackaging of Medications for Use in Robotic Drug Distribution System*

Mr. Aron reminded the members of the background material pertinent to this request which had been posted in the Boardroom Library prior to the meeting. With Mr. Aron's approval, Mr. Michael A. Hymel, Director of Pharmacy at Baton Rouge General Medical Center Pharmacy, presented information and an audio-visual supplement describing their intent to package medications in a robotic drug distribution system for use in his facility as well as for transportation and use on another campus. Following substantial discussion, Mr. Aron indicated the members could not offer any opinion other than that

already offered by staff. Mr. Aron then requested Dr. Anderson to add this topic to their list of topics already under consideration.

At this point, Mr. Aron informed the members they had concluded the agenda for that day's meeting, but he had concerns for the possible absence of a quorum the following day. He polled the members in attendance and determined that a quorum would not be possible. At that point, Mr. Finalet informed the members the two formal hearings could not be convened, but the other matters including the consent agreements and voluntary surrenders could be considered, probably within an hour's time. Mr. Aron then inquired the wishes of the members. Mr. McKay then moved and Mr. Pitre seconded to amend the current agenda to add the reports scheduled for presentation the following day. The motion was approved after a unanimous roll call vote in the affirmative.

*15. Formal Hearings*

Mr. Aron called upon Mr. Finalet to present the two matters scheduled for hearing. Mr. Finalet requested a continuance for both matters until the next formal hearing. In the absence of any objections, Mr. Aron granted the request.
