Re: Act 464 (2025 Regular Session) – Dispensing of Ivermectin

---

Pursuant to La. R.S. 37:1218.3, enacted by Act 464 of the 2025 Regular Session of the Louisiana Legislature, a healthcare professional with prescriptive authority within the Louisiana Department of Health may issue a standing order authorizing pharmacists to dispense Ivermectin to individuals 18 years of age and older.

A statewide standing order has been issued, and the order with supporting documentation is available [here](#).
