

HLS 25RS-

2025 Regular Session

House / Senate Bill No. _____

By Representative / Senator _____

CONTROLLED SUBSTANCES: Provides for retention and archiving of records in the state prescription monitoring program.

AN ACT

To amend and reenact R.S. 40:1006.G, relative to retention and archiving of records in the state prescription monitoring program.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 40:1006.G is hereby amended and reenacted to read as follows:

§1006. Reporting of prescription monitoring information

...

G. The board shall establish by rulemaking standards for the retention, archiving, and destruction of prescription monitoring information and audit trail information.
