

**Louisiana Administrative Code****Title 46 – Professional and Occupational Standards****Part LIII: Pharmacists****Chapter 25. Prescriptions, Drugs, and Devices****§2523. Transfer of Prescription Information****A. Prescription Transfer Requirements****1. Prescriptions for Controlled Dangerous Substances**

- a. The transfer of original prescription information for a controlled substance listed in Schedules III, IV, or V for the purpose of refill dispensing is permissible between pharmacies on a one-time basis only. However, pharmacies electronically sharing a real-time, on-line database may transfer up to the maximum refills permitted by law and the prescriber's authorization, whether or not the pharmacy from which the prescription is transferred is open for business. Transfers are subject to the following requirements:
  - i. The transfer is communicated directly between two licensed pharmacists and the transferring pharmacist records the following information:
    - (a) Invalidation of the prescription.
    - (b) Record on the reverse of the invalidated prescription the name, address, and DEA registration of the pharmacy to which it was transferred and the name of the pharmacist receiving the prescription information.
    - (c) Record the date of the transfer and the name of the pharmacist transferring the information.
  - b. The pharmacist receiving the transferred prescription shall reduce to writing the following:
    - i. Indication of the transferred nature of the prescription.
    - ii. Provide all information required for a prescription for a controlled substance (full name and address of patient; drug name, strength, and dosage form; quantity prescribed and directions for use; and the name, address, and DEA registration of the prescriber) and include:
      - (a) date of issuance of original prescription;
      - (b) original number of refills authorized on original prescription;
      - (c) date of original dispensing;
      - (d) number of valid refills remaining and date(s) and location(s) of previous refill(s);
      - (e) pharmacy's name, address, DEA registration number and prescription number from which the prescription information was transferred;
      - (f) name of pharmacist who transferred the prescription; and
      - (g) pharmacy's name, address, DEA registration number and prescription number from which

- the prescription was originally filled.
- iii. The original and transferred prescription(s) shall be maintained for a period of two years from the date of the last refill.
- c. Pharmacies electronically accessing the same prescription record shall satisfy all information requirements of a manual mode for prescription transferal.
2. Prescriptions for Drugs Other Than Controlled Dangerous Substances
- a. The transfer of original prescription information for the purpose of refill dispensing is permissible between pharmacies, subject to the following requirements:
- i. Prescriptions may be transferred up to the maximum number of refills permitted by the prescriber on the original prescription.
- ii. The transferring pharmacist, intern, or certified technician shall record the information itemized in Clause 1.a.i above, with the exception of the DEA registration numbers.
- iii. The receiving pharmacist, intern, or certified technician shall record the information itemized in Subparagraph 1.b above, with the exception of the DEA registration numbers.
- b. The original and transferred prescription(s) shall be maintained for a period of two years from the date of the last refill.
- c. Pharmacies electronically accessing the same prescription record shall satisfy all information requirements of a manual mode for prescription transferal.
- B. Pharmacies Using Common Electronic Files
1. Pharmacies using a common electronic file are not required to physically or electronically transfer prescriptions for information dispensing purposes between or among pharmacies participating in the same common prescription file; provided, however any such common file must contain complete and adequate records of such prescriptions, and further, that a hard copy of each prescription transferred or accessed for purposes of refilling shall be generated and maintained at the pharmacy refilling the prescription or to which the prescription is transferred.
2. This accommodation shall comply with all state and federal laws and regulations regarding controlled dangerous substance prescription transfers.
