About Auto-Approval

Certain roles do not have to wait for administrator review and approval if they meet specific validation requirements.

If you provide the requested licensing for your role, and it is set up for auto-approval on verification of that licensing, you will be granted instant access upon validation.

Note: You must validate your email address indicated on Slide 12 before you have full access to PMP AWARxE.

About Delegates

If you are a delegate who passes auto-approval, you will gain access to the system. However, you will not be able to request reports until your supervisor approves you.

*Note: At this point in the registration process, you may click **Log Out, Complete Later** to save your login credentials and complete your registration at a later time. When you are ready to complete your registration, navigate to your PMP AWARxE URL, then enter the username and password you established in the previous steps.*

The screenshot shows a user dashboard for the State Department of Health. At the top right is the logo for the State Department of Health, powered by AwarxE. The breadcrumb navigation shows 'Home > Dashboard'. The main section is titled 'My Dashboard' and contains three expandable sections: 'Patient Alerts', 'Recent Requests', and 'Supervisors'. The 'Supervisors' section is expanded, showing a table with the following data:

Supervisor Email	Status	Request Date
user@example.com	pending	09/13/2017

Below the table is a 'Quick Links' section. To the right of the dashboard is a 'PMP Announcements' box with a 'NEW' badge, the text 'Testing', the date '09/11/2017', and the text 'test'. Below the announcement is a link to 'View all Announcements'.

How Delegate Supervisor Approval Works

If you are a delegate and your account is auto-approved, you will be able to login to your account. However, your supervisor must approve you as their delegate before you can run reports on their behalf.

When you login, your delegate status appears on the dashboard under **Supervisors**. If your supervisor has already approved you, the status will display as *Approved*.

If your status is not displaying as *Approved*, your supervisor's name will appear in the supervisor drop-down menu on the **Patient Request** page.

After your supervisor logs in to their account and approves you, you will see the change on your dashboard, and your supervisor's name will be a selection in the supervisor drop-down menu on the **Patient Request** page.
